INFORMATION DISCLOSURE STATEMENT

Dear Sir:

- 1) Pursuant to 37 C.F.R. §§ 1.56, 1.97 and 1.98 applicant encloses a Form PTO-1449, a copy of reference AB cited thereon, and a copy of the English Version of International Search Report issued on September 2, 2005 in the corresponding PCT International Application. Copies of references AA, AC and AD are not (and need not be) enclosed, because they have been transmitted to the USPTO by the International Searching Authority in the International processing of this PCT application.
- 2) This Information Disclosure Statement is being filed simultaneously with the above identified new patent application.

- 3) References AA to AD are in English. Reference AB has been discussed at page 1 of the present specification. Therefore no further discussion of the references is necessary.
- 4) Moreover, the enclosed Search Report indicates the degree of relevance of references AA, AC and AD by category ("X" means relevant to anticipation or obviousness when considered alone). Thereby a concise explanation of the relevance has been provided (see MPEP §609).
- 5) The Examiner is requested to consider all references of record, return an initialed copy of the enclosed Form PTO-1449 and ensure that all references of record are printed on any patent issuing from this application.
- 6) Favorable consideration and allowance of claims 25 to 39 are respectfully requested.

Respectfully submitted,
Anja KLIEWE - Applicant
